

26th June 2024

Dear Parents and Carers,

Increase in the price of paid for school meals from 5th September 2024

We are writing to inform you that due to the continuing growth in food and catering costs, the price of paid school meals will increase at the start of the autumn term 2024. We wanted to give parents as much notice as possible about this change.

We understand the impact this has on the cost of living for all families and Harmony Trust has subsidised meals this year to stop prices increasing. However, there is no additional funding from the Government, so next year the price to families will have to increase given other pressures on our budgets.

To reduce the impact of this, Harmony Trust will continue to subsidise the cost of meals for children entitled to FSM to make up this shortfall. We have also made sure the cost to parents of paid meals is the same as what other schools charge in the local area. Unfortunately, there will still be a price increase for paid meals:

The price for school meals will increase to £3.00 per day (£15.00 for one full week)

The increase will be in effect from Thursday 5th September 2024
