Dear Parents / Carers

## #Wake up Wednesdays!!!

With our children spending more time online/using a screen during the Covid 19 pandemic, we will be sending an online guide every Wednesday to help parents/carers keep your children safe online. Below is a link showing you how you can download the app for Apple and Android using the National Online Safety Website.

## National Online Safety Mobile App It's time to get **#OnlineSafetySavvy**.

Children are spending more time than ever online. As adults, we need to do everything we can to keep them safe in the digital world. But with new apps, games and platforms emerging every day, how can you stay in the know?

Say hello to the new National Online Safety mobile application. Created by experts, developed by us.

With all online safety knowledge available at your fingertips, the NOS app empowers parents and teachers to understand and address online safeguarding risks – anytime, anywhere.

The world's most comprehensive online safety app, it's packed with insightful courses, explainer videos, webinars and guides on topics that will help you protect the kids you care about when they're online.
